Miss Mary Arnold is reported quite sick of gripp.

Elder F. M. Tindler says he will fill his pulpit here Sunday if possible.

Rev. C. C. Brown has been engaged in a series of meetings at Junction City.

The Fiscal court met Tuesday and adjourned till the 15th day of the month.

Hughes & Swinebroad sold the Dunn cottage, on Richmond avenue, to F. S. Hughes for \$1,800.

Rev. and Mrs. O. P. Bush moved Wednesday to the new Baptist parsonage on Stanford Street.

The office and hall of the Kengarian hotel have been newly papered and it indeed makes a beautiful improvement.

Dr. W. M. Elliott bought of Mrs. R. A. McGrath her house and 50 acres of land, adjoining Bryantsville, for \$5,700.

The Mite Society of the Presbyterian church wishes to announce that they will have an exchange on Wednesday before Thanksgiving.

Mr. B. D. Herndon will not now be annoyed about making a will and distributing his property, as he has an heir—a handsome boy, born Saturday.

We regret to hear of the death of John Hardin at Decatur Illinois. He recently left this county and has a large relationship here, among whom is Mrs. Alexander Walker who is a sister.

On Parole.

William Humber has been released from the penitentiary, on parole, on account of poor health, we are informed.

At Play.

While at play on the school grounds last week Will Rice Amon got his arm broken. The last report from the little fellow was encouraging.

Schooler—Noel.

Married at the residence of the bride's parents, in this vicinity on Wednesday, Miss Hallie Schooler and Jasper Noel, Rev. O. P. Bush officiating.

Painful Accident.

Last Friday afternoon while R. E. Henry and wife were driving, their horse became frightened and began to kick. The buggy was turned over and Mrs. Henry's arm was broken, while Bob only got a few scratches. Though her suffering has been intense she is improving rapidly.

How Miss Barbee Spent Her Night.

T. Pollard was taken to Louisville, by Dr. Burnett, for an operation.

E. W. Lillard was fined \$3,300, at Danville, for selling liquor. He paid \$300 and closed his drug store.

Mr. George M. Patterson bought the lot, where the picture show stands from Romans and Elmore, for \$1200. He has been granted a permit by the City Council to erect a brick front building with metal sides and roof. We hope he will build a first class opera house. It would pay.

City Improvements.

The City Council has wisely determined to improve our street crossings. They have received a carload of vitrified brick with which crossings will be made in such a manner that dirt will not accumulate on them, and a new road machine, to grade and improve the roads in the city.

Hurrah! for the Mayor and the Councilmen. Let the citizens improve their pavements to show the Council their appreciation of the public interest taken.

Woman's Christian Association.

Mesdames Cochran and Farra attended the twenty ninth annual session of Kentucky Woman's Christian Association which met in Lexington this week. A former Lancasterian, James Nathan Elliott, was on the program for an address, subject "On Behalf of the Bar." Young Mr. Elliott is rapidly rising to the front in the legal profession and no doubt, did him self proud upon this occasion.

Very Successful.

The entertainment given by Miss Nannie Barbee at the residence of Mrs. Robert Lytle last Friday evening under the auspices of the Daughters of the Confederacy was very successful in point of attendance and receipts and highly enjoyable from an artistic and musical standpoint. Miss Barbee's reputation as an entertainer is now co-extensive with the United States, and those who assisted her in the musical program deserve the highest praise.—Danville Advocate.

After reading the above one can afford to miss the entertainment given by Miss Barbee at the Presbyterian church this (Friday) night. Admission 5c.

Welcome.

Mr. Robert L. Arnold, a prominent farmer of the Paint Lick section, has leased the Kaufman property on Danville avenue, and will locate here to get the benefit of our excellent school, in educating his children. We welcome this good family. Many are coming here, on account of the school, which Prof. Bridges has made one of the best in the State, and which is the pride of our people. It will soon become necessary to enlarge the school buildings.

Mad Stone.

A gentleman by the name of H. F. Flannery, of Leighton, Lee county, Kentucky, was in our city Tuesday trying to sell a "mad stone". He said he found it about two months ago in Oklahoma and after it was pronounced genuine by several physicians was offered \$200 for it, but he refused to sell it and holds it for \$500. It was about two inches long, one inch wide and very porous. Seems that he could have a quick sale for it if he could prove that it was good for what it is recommended.

Beazley—Harris.

Friday night at 8 o'clock, Mrs. Kathryn Grinstead Beazley became the wife of Mr. J. Randolph Harris. Rev. T. W. Barker, of the Methodist church, performing the ceremony. The wedding was a quiet one on account of the illness of the former's daughter and only a few intimate friends and relatives were present. The bride is a daughter of Rev. W. S. Grinstead, a former pastor of the Methodist church here, and is very popular and accomplished, while the man of her choice is one of Lincoln county's substantial as well as most excellent citizens, and their many friends here and elsewhere wish for them unbounded happiness.—Interior Journal.

The groom is a Garrard county man and of course it goes without saying that the above mention is altogether true.

Johnnie—Pop, do babies ever cuss now?

Father—Why no, Johnnie, babies never did cuss.

Johnnie—Oh yes they did, pop; 'tude Bible says so.

Father—Johnnie you must be crazy The Bible never said anything of the kind.

Johnnie—Why, pop, don't the Bible say "Job cursed the day he was born?"

Lawson.

On last Sunday morning every voice in the county had words of sympathy to express to Mr. and Mrs. W. L. Lawson, when it was announced that Miss Alma, their only daughter, had been called to her Eternal Rest on Saturday night.

Monday afternoon, in the presence of one of the largest gatherings of friends and relatives that have gathered in the Lancaster cemetery, the funeral services were conducted by Rev. C. C. Brown assisted by Eld. F. M. Tindler. As the sweet and most appropriate song, "Safe in the arms of Jesus" was sung, an opportunity was given the many friends to pay their last respects to their loved one, which was done with probably the most profuse floral offering that has been here. When her schoolmates, with whom we associate her name, showed their deep bereavement, it touched the heart of every one present.

Miss Alma was a member of the Presbyterian church, eighteen years of age and is survived by her father and mother and three brothers. She was a universal favorite at home, at school and in every social circle where she was known. Possessed of a sweet disposition, a bright mind and attractive personal appearance, she will live long in the memory of many who join the family in mourning over her untimely departure.

Grateful Words.

We desire to express our everlasting gratitude to the many friends who offered words of consolation and comfort during our last and greatest bereavement, in the loss of our dear daughter.

Mr. and Mrs. W. L. Lawson.

Expressions of Appreciation.

We most heartily appreciate the many visits, helpful attentions and comforting words of our many friends during our last and great bereavement and we will ever remember the sweet music and the floral offerings.

Mrs. Rebecca West and Family.

Brown—Thompson.

Miss Bessie Brown and Mr. Morris Thompson were united in wedlock's holy bonds Wednesday morning at the home of the bride's parents, Mr. and Mrs. A. B. Brown, Jr., Elder F. M. Tindler sealing the contract.

The bride is the youngest daughter of Mr. and Mrs. A. B. Brown, Jr., and being one of the graduates of the Lancaster school last year has made many friends and admirers in this community, while the groom is the son of Mr. Smith Thompson, of Stone, and is a well-to-do young farmer.

After a reception at the groom's home the happy couple took a bridal trip to Ohio.

The Record wishes them a long and happy life.

All invited to Currier & Davidson who please call at the old stand and settle. 10-8-24

The Hupmobile, a Beauty.

Geo. B. Harris and J. E. Stormes have secured the agency for the Hupmobile and brought in the demonstrating car last Thursday, Mr. Harris driving it through from Louisville in four hours actual running time, distance one hundred miles.

The Hupmobile is of the runabout type geared up three to one and is capable of running sixty five miles an hour. It has an eighty six inch wheel base, four cylinder water cooled motor equipped with a Bosch high tension magneto and is shaft driven. One of the chief charms of this wonderful little car is its great strength and extreme simplicity to operate. It has two speeds forward and reverse with noisless change speed gears and is driven entirely by pressure of the foot throttle.

It has no spark lever and the drivers hands are always on the wheel for guiding. It has a multiple disc clutch running in oil which insures smooth starting and stopping. The braking is both expanding and contracting operating on the rear hubs by foot pedal and side emergency lever and are very positive. The car weighs only eleven hundred pounds which means low cost for upkeep. It gives us pleasure to extend the glad hand of welcome to the Hupmobile and we predict for it many friends and admirers.

The marriage of Miss Mary Moss and Mr. H. C. Bailey of Pendleton Virginia, was solemnized at the home of the bride's parents, Tuesday morning at 10 o'clock, Elder F. M. Tindler officiating. It was a quiet home wedding with no attendants. The bride was handsomely attired in a traveling suit, with hat and gloves to match.

At a meeting of the district committee of the Burley Tobacco Society at Winchester, the vote of the counties on the Burley pool was ratified. The officials returns show 103,000 acres have been pledged. Unless there is a substantial increase in the pledges during the extension for signing until October 20, the feeling among growers is that the pool should be declared off.

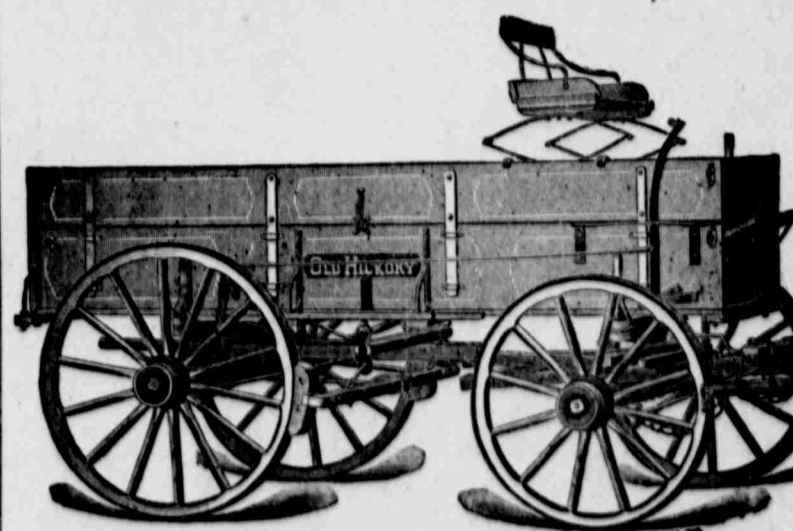

Judge R. F. Hill, of Henry county has pooled his tobacco. In a newspaper card Judge Hill says conditions have changed and he is willing to take part in a peaceful organization for the protection of the grower.

President Taft will spend the week in California, arriving at Davis Monday evening. The latter half of the week will be given over to a visit to the Yosemite Valley, San Francisco, Sacramento, Oakland and other points will also be visited.
